3 The minimum pay of the Assistant Surgeon's post is Rs.175/-. The Residency Surgeon recommends the appointment of Dr.Sripathi Rao on an officiating pay of Rs.140/- p.m. based on the pay given him last time when he officiated as Assistant Surgeon, Isolation Hospital - vide S.N.11 of D.F.262-39. On the last occasion when the Residency Surgeon sent his proposals for officiating arrangements, the question was raised whether Dr.Sripathi Rao should not be given the minimum pay of the post, namely, Rs.175/-; but the Residency Surgeon adhered to his original recommendation of Rs.140/-.

It

It is true that under F.R.35 a local Government may fix the pay of an officiating Government servant at an amount less than that admissible under F.R.31; but in such an event the facts of the case should be considered- vide Government of India decision under F.R.35. If Dr.Sripathi Rao is considred to be sufficiently qualified to hold the post of the Assistant Surgeon there is no reason why he should not be given the minimum pay of the post.

He may therefore be appointed on the minimum pay of the post unless the Residency Surgeon has any special reasons to urge against the proposal.

If approved, the Residency Surgeon may see U/O.

I have no special reasons to urge against the proposal to fix Dr. Sripathi Rao's minimum pay of the post i.e. Rs 175/-. In fact I recommend that he does get that rate. The original recommendation was made by Major Powers who has previous precedents also in my opinion was wrong.
